Primo by MECCANO

A great toy for 2-6 year-olds

Lots of simple pieces that easily slot together to give a fun-filled range of shapes and toys - and hours of enjoyment!

Plastic MECCANO

These big strong, safe and colourful pieces make an ideal introduction to Meccano's world of working things.

For boys and girls over 4 years.

MECCANO® MULTIKIT™

Co-ordinated colour schemes and self-adhesive stickers bring action-packed realism to the magnificent Multikit range of metal Meccano sets. See the whole Meccano Multikit range in your local toy shop.

For children aged 6 years and over.

MECCANO®

As versatile as you

Every set from 1 to 10 contains all the parts you need to build countless models!

For 7 year-olds and over.

New Motorised Meccano Multikit Crane-building Set

Meccano Multikit Crane-building Set. Complete with $1\frac{1}{2}$ - $4\frac{1}{2}$ volt DC electric motor, battery box and gears. Plans for your first eight cranes.

Motor. Gears. Battery Box.

Pocket MECCANO®

Real Meccano parts at pocket money prices. A thousand models have been built from just one set!

MECCANO® ACCESSORIES

Clockwork, steam or electric motors bring plenty of power to many of the models you can build with Meccano.

MECCANO® CLOCK KITS

Fully working models; weight-driven, pendulum controlled- with or without a chiming mechanism.

MOGUL T.M. STEEL TOYS

Tough, rugged Mogul.

Strong, fun-packed working features. Indoors or outdoors, whatever the action, Mogul can take it. Special strong features include extra-strength, robust axles and tough working parts.
